

# Canada International Scientific Exchange Program (CISEPO)

## FELLOWSHIPS PROGRAM

### - APPLICATION FORM-

#### Terms of Reference

CISEPO fellowships are designed support capacity building in medicine, education, and research that will lead to international cooperation among individuals, institutions and governments, building bridges of understanding. Applications for one year of advanced study will be considered for medical, surgical and laboratory specialties, public health and continuing education. Applicants must hold an M.D. degree or its equivalent (e.g., M.B.,BS,) or Ph.D. from an internationally recognized program of study. Applicants must provide evidence that they have passed a University English language test.
